23 February 1955

MEMORANDUM FOR:

Chief, Regulations Control Staff

SUBJECT:

Proposed Regulations Nos. 50-170

and 50-175

1. I have incorporated the suggestions made with respect to the subject proposed regulations forwarded to me with your letter of 14 February 1955. I believe that the attached draft revisions to the proposed subject regulations will meet with the agreement of the various commenting offices.

2. Insemuch as I forsee in this case no disagreement by the commenting offices it would seem appropriate to obtain the final comments directly rather than to precede the sending of final comments by informal staff work. I would suggest that you send each of the commenting offices a copy of the draft revisions. There are sufficient copies attached.
